Product information  
**Swinco Opticare Milk Silver**  
(code: 94105516)

## ABOUT OPTICARE MILK SILVER

- Opticare Milk Silver is a milk replacer for piglets.
- It is a creamy-white powder with a characteristic odour and aroma of sow's milk, available in 25 kg bags.
- Best before: 12 months from the date of manufacturing.
- Store in a dry place.
- Keep the bag sealed after opening, so that the product stays fresh.
- Stored under appropriate conditions, a milk replacer solution can be fed to piglets for 2 days.

MORE, UNIFORMER  
AND HEALTHIER  
PIGLETS AT WEANING

## BENEFITS OF USING OPTICARE MILK

- More piglets weaned on the sow, therefore fewer or no foster sows needed.
- Heavier, healthier and more uniform piglets at weaning.
- Effective stimulation of solid feed intake.
- Piglets better prepared for weaning.
- Very good solubility in water.
- High palatability.
- The product is specially developed for all artificial rearing systems:
  - Farrowing house cups
  - Round creed feeders
  - Valve systems
  - Pump and Grow systems

## MIXING INSTRUCTIONS

- Dissolve 150/200 g of the product + 1 liter of warm water
- Maximum water temperature: 55°C
- Feed to piglets from the 3rd day after birth
- Use only clean, fresh water to prepare the drinking solution

## Composition (%)

Crude protein	20.0
Crude fat	15.5
Crude fibre	0.1
Ash	5.5
